

PINC Mentor-Instructor Agreement

This agreement outlines the parameters of our work together as mentor/mentee. If ANY expectations do not apply, please fill in not applicable (N/A).

You must fill out this Mentor-Instructor Agreement during your first week as a mentor or an instructor. BOTH the mentor and instructor MUST fill out the Google form separately in order to receive a copy of this agreement. The best way to fill this out together is during the FIRST mentor-instructor meeting and follow along the Google form together.
